

# The Brookwood Community Volunteers Association

## August-September-2009 Newsletter

### Welcome and Thank You

Welcome to our September kick-off Volunteer meeting for 2009-2010. Thank you for the commitment you have made to our Brookwood Volunteer Team!

First I would like to thank Stephanie Tucker for serving as our Volunteer Association President last year. Stephanie has such a positive attitude that flows to others around her and made such an impact on our organization. We want to continue with that legacy and have a great year with many opportunities to serve!

The new directories will be available at the September meeting. Please pick up your copy and save your Volunteer Association postage dollars.

Also if you have an email address change, please notify Ralph McTaggart or Susan McClung so you will not miss out on receiving the **Brookwood Newsletter**.

Please continue to check the Brookwoodcommunity.org website for continual updates on up and coming events.

A reminder to the Executive Board members that our meeting will start at 9:00 on September 14.
