A NOTE FROM OUR CEO

COME AS  
YOU ARE

MAY THIS SEASON IGNITE  
THE CHISPA IN EACH OF US

We are very excited that the Citizens of Brookwood have been chosen by Chispa House for their next feature film entitled "Come As You Are." This is a great honor, and we look forward to having you at the premiere in 2022. More information about the film is on page 8 in this newsletter.

Chispa means 'spark' in Spanish. It is the resounding 'why' inside of each person. Your chispa is given to you by God and by seeking Him. It is the unstoppable flame, filled with unconditional love, exemplified so beautifully by our Citizens.

Our Citizens invite you to come as you are and live your authentic, purpose-filled life that God has ordained for you, not wrapped up in gifts or people, but wrapped in Him loving you so much that He gave His only Son for us so we may live eternally with Him forever.

No one had a greater purpose than the Son of God...His purpose of saving humanity from our sins and to show us the way to eternal life.

Come to our upcoming Christmas Open House and experience what these filmmakers have tangibly felt as they captured life with our Citizens. May your Chispa be evident this Holy Season.

Blessed,

*Vivian Shudde*

# EVERY. ONE. WORKS.

Even through a worldwide pandemic, the desire for genuine purpose and the feeling of self-worth that only work can provide has been stronger than ever this past year and a half. Citizens have been working all over campus to ensure the beautiful Brookwood products and plants are ready for the holiday season. No matter the challenge, our program staff continue to find a way to use our Citizen's God-given abilities to contribute to society and see the value in these adults with disabilities who live and work at The Brookwood Community.

# Fishin' with a Mission

Citizen Jon Boone and Activities Director Greg Glauser participated in the Independent Insurance Agents of Houston (IIAH) 2nd annual Fishin' with a Mission charity tournament benefiting Brookwood last month in Rockport. Jon was one of the top fishermen of the tournament and won the largest Red Fish in the live bait division with 25 inches, caught with a mullet.

“When I am with Jon Boone, I feel the presence of a mighty man who talks of God, his own family and his Brookwood family, and fish. He is an expert in all these subjects, and you can learn so much from him and become a better person after the visit,” said Greg.

Jon wrote about his fishing adventure in a “fish” story. It's incredible how Jon describes his adventures from the perspective of a person who is blind, as you “see” it all so differently from his eyes. “If you are in competition and can't win without boasting, or lose without crying, you probably should not play sports, whether it be baseball, football, or fishing. I am king in freshwater fishing, but in saltwater I am a rookie. Fishing is a fun sport and can be a real challenge at times. That's when you must go for the big one. End of story.” –Jon Boone

To learn more about our community partnership with IIAH, please see page 13.

# AROUND CAMPUS

Red Day in Horticulture kicked off the poinsettia season in August with Citizens beginning the planting process for this year's crop of 50,000 poinsettias.

This fall's Make Your Own Succulent Gourd event brought out a big group of creative crafters to Brookwood Horticulture.

Day Citizen **Austin Hanson** proudly displayed his hand painted artwork at the annual Brookwood Fall Fest.

**Mesh With It** owner Alicia Guido has been coming out to Brookwood for three years for her wreath making workshops.

The Café's annual Holiday Decorating Lunch and Learn is always a big hit with customers who want to get a head start on Christmas decorating.

Café team members Alissa and Dani served delicious Brookwood appetizers at the Cinco Ranch Rotary Club's Katy Wine Fest in October.

# Shop The Woodlands for the Holidays

For the second consecutive year, Brookwood has a new holiday store in The Woodlands, thanks to the generous donation of space from The Howard Hughes Corporation. The seasonal retail store located in the Hughes Landing development features a variety of handcrafted Citizen products, delicious food items, famous poinsettias, and other seasonal gifts.

Brookwood's new studio at The Woodlands United Methodist Church now has 11 Day Citizens and continues to grow. Community partnerships with churches and retailers have allowed Brookwood to expand programming and increase awareness of our mission to an entirely different side of town.

OPEN NOW THROUGH JANUARY

## Brookwood Barks...

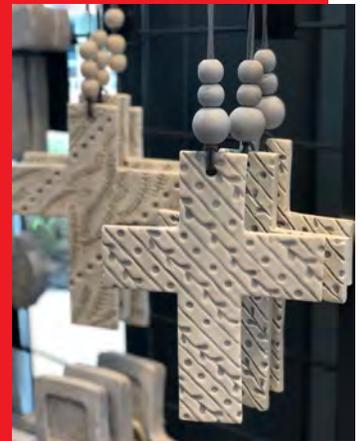

### The PAW-feet treat

One of the Citizens' favorite work projects is making the popular Brookwood Barks dog biscuit treats for our four-legged friends. The past year required quite a bit of flexibility as Citizens worked all around campus and at home. Whether it's cooking, cutting, or packaging the biscuits, there is a lot of love and pride that goes in to making these popular dog treats.

## Gifts of LOVE

Brookwood continues to expand the line of spiritual products available in our three retail stores, as well as the online store. From crosses and plaques made in Ceramics and Stone Casting, to prayer bowls with inspirational sayings engraved with the Epilog printer, these items are the perfect gifts of love for the holidays.

# COME AS YOU ARE

## Feature Film

Chispa House, a humanity-focused film production company from Athens, Georgia, has chosen Brookwood for their next full-length feature film. The Brookwood film is entitled “Come As You Are” and focuses on people helping people, showing the significance of living a life of purpose and meaning as seen through the lives of our Citizens. Each person, no matter their abilities, deserves to discover their passion and purpose, and nurture it into a meaningful life.

“We are thrilled that through this movie, Chispa House will show what our Citizens of Brookwood represent and what our nation and world are seeking...PURPOSE!” said CEO Vivian Shudde.

Filming at Brookwood began in June and will continue through spring 2022. The film is expected to premiere in Houston next fall and be entered into national and international film festivals. For more information about this one-of-a-kind film project, contact Director of Outreach Jana Mullins at [janam@brookwoodcommunity.org](mailto:janam@brookwoodcommunity.org) or 281.375.2260.

# biketothebeach

More than 40 Brookwood Citizens, family members and volunteers participated in the 2021 **Bike to the Beach** event on October 30 in Surfside, and it was a glorious day! Brookwood Interdependence Team members rode either a 6-mile or 12-mile route along Bluewater Highway, finishing at Stahlman Park where they enjoyed a post-race party and awards ceremony. Led by Greg Glauser, the riders trained for four months with a 5-mile route around campus. Close to \$50,000 was raised for Brookwood and **Bike to the Beach**, helping to increase awareness for autism and other disabilities. Thank you to everyone who supported the team. Our Citizens had a wonderful time and can't wait to do it again next year!

# I Believe in BROOKWOOD

We are so grateful for the generous response we've received to the *I Believe in Brookwood* fall fundraiser. Your gifts provide Brookwood Citizens opportunities to learn and work, to experience social and spiritual fellowship, and to lead fulfilling and productive lives as contributing members of The Brookwood Community!

Do you believe in Brookwood? There's still time to help us reach our \$1 million goal! Fundraising continues through December 31. Can't decide which team to support? The Brookwood Dream Team represents all our amazing Citizens! An anonymous friend of Brookwood will be matching donations up to \$125,000 through December 31!

Best of all, 97 cents of every dollar raised goes directly back into the programs and services that help our Citizens live wonderful lives filled with meaning and purpose.

## Brookwood Visionary Society

Brookwood was honored to receive a gift from the estate of long-time Citizen **Dennis Davis** after his passing last year. Dennis joined the Brookwood Community in 1995. He enjoyed following sports, especially the Houston Astros, and working in stone casting.

"When Dennis was 18, he was hit in the head with a baseball, and he had recurring seizures and many surgeries after that," said his cousin and guardian, Ray Brochstein. "He lived with his mother and aunt until he was 54 and didn't have any siblings or friends. Brookwood changed his life. Having a job and a home at Brookwood was wonderful for him."

Dennis's gift to Brookwood's Endowment Fund will be a continuing legacy that will provide financial assistance for future Citizens. Dennis will be remembered as a Brookwood Angel. For more information about Brookwood's Visionary Society, contact Carol Thornburg at 281-375-2110.

# Community Partner Spotlight

## Independent Insurance Agents of Houston (IIAH)

As the largest association of independent insurance agents in the United States, the Independent Insurance Agents of Houston (IIAH) is a volunteer-based organization that serves its members through education, advocacy, networking and community service. Brookwood is one of their selected charities and received \$10,000 from their events held during the past year. Executive Director David Wuthrich has had a long affiliation with Brookwood. "I was a caddy for several Brookwood Golf Marathons when the golfers played 100 holes in a day, so I'm glad to give back in my role at IIAH." Brookwood is grateful for this partnership with IIAH!

Brookwood's Production team created the awards for IIAH's Charity Chili Cook-off and Sporting Clays Invitational.

Brookwood Citizens and participants from our Young Professionals organization received the "Most Spirited" Award at IIAH's Wild West Charity Bowl XXVII held in July.

## Second Baptist Church

Thank you to members from the Second Baptist Missions team for creating personalized wooden signs for Residential Citizens to hang on their doors.

Led by Chase Fondren, Sam Tucker, Ben Tucker and Jacob Robinson, the Brookwood Young Professionals group raised over \$20,000 at their first annual golf tournament in November.

Energy Transfer's Houston area employees and their families enjoyed a barbecue cookoff to benefit Brookwood, raising over \$25,000 thanks to the dollar for dollar match by Energy Transfer.
