A NOTE FROM OUR CEO

Dear Friends,

I had an amazing and humbling Zoom call with a pastor from Ghana who had heard about Brookwood and deeply desires “Brookwood” in Ghana. My first question to those desiring “The Brookwood Way” is always “Why?” His answer, spoken in slightly broken English, lasted 30 minutes and was one of the most intensely passionate descriptions about why his country needed a Brookwood that I had ever heard. My heart was beyond heavy for those four million people who are considered a “result of sin and a symbol of misfortune.” It became the focus of my thoughts before sleep and as I walked through the studios at Brookwood, thinking about how fortunate we are.

The Rev. Prof. Simon Dzidzornu

After a few minutes of listening to why the Brookwood model was so desperately needed, I began to take notes as he described what he understood Brookwood to be.

Brookwood is:

- “Executing the mandate of Christ....to all nations.”*
- “Giving people the opportunity to be themselves...to belong.”*
- “Changing the thinking of the world.”*
- “Everyone is afforded the right to a sense of value.”*
- “Dignity is there....it is the Essence of Life.”*
- “The people at Brookwood have value and are a gift...like Stevie Wonder and Helen Keller.”*

He continued with powerful comments about our GOD RICH Core Values. He said that we do “belong to each other...Interdependent,” and proclaimed that, “Honesty is delegated to the back of society, yet it is the key to living a life of freedom and peace.”

He concluded that he understands what we believe; that “Citizens represent what God desires from each of us.” His greatest desire is to “Make the name of the Lord seen in His people through the lives of the disabled. They know where they came from and they know, without wavering, where they are going!”

I’ll never forget his parting words, “My happiness is incomplete because it is linked to the happiness of the disabled.”

During this holiday season, and in the new year, will you join our Community Members and Citizens in continued prayer about how we can truly fulfill our vision to ‘change the way the world thinks about adults with disabilities’ from being “a result of sin” to an understanding that “Citizens represent what God wants from all of us?”

Faithfully serving God’s greatest,

Vivian Shudde

AROUND CAMPUS

Nothing says fall like pumpkins. Horticulture Manager Robert Grove led a workshop for 80 crafty people who created beautiful succulent pumpkin centerpieces using Citizen-grown plants.

If decorating the front door, or maybe the mantle – wherever a wreath is needed, Alicia Guido from *Mesh with It*, a company with creativity to spare, guided Brookwood guests in a holiday decorating and wreath workshop.

SHARING THE BROOKWOOD WAY

The **Stephen C. Beasley Center for Learning** hosted 40 guests from Texas, Louisiana, Mississippi, Missouri, Tennessee and Florida at The Brookwood Way conference October 26-28. Attendees experienced an in-depth campus tour and attended workshops providing comprehensive insight into Residential, Work Programs, Admissions, Fundraising and more. CEO Vivian Shudde

addressed the group, along with other Brookwood professionals. Citizens entertained them with a handbell performance and answered questions about their lives at Brookwood. These conferences are truly a way to change the way the world thinks about adults with disabilities!

IN LOVING TRIBUTE

Tom Wilson was a tireless advocate for Brookwood and Briarwood until his passing in October. A member of Brookwood's Board for 25 years, Tom served as Board Chair from 2016-2020, and Briarwood's Board Chair from 2020-2022. He will be remembered for his faithful service, energy, and passion and will be greatly missed.

Brookwood Citizen **Joe Kleinworth** was called to heaven on November 5. Joe lived at Brookwood for 27 years and was known as the "Mayor of Brookwood," Joe loved to greet guests visiting the Brookwood campus. If you had the pleasure of meeting Joe, you left

with a big smile on your face and his business card in your hand.

We also remember these Citizens who passed this year: **Christine Lee, Robin Torrance, Jeff "JJ" Joplin, and Bonnie O'Neill.**

If you would like to make a gift in memory of these special friends or someone else, visit brookwoodcommunity.org/donate.

CAREERS WITH A PURPOSE

Brookwood team and ignite meaning and purpose every day in your own life, too. Visit brookwoodcommunity.org for a list of current Brookwood job opportunities, or email careers@brookwoodcommunity.org.

EVERY DAY'S A BUSY DAY!

MUSIC TO OUR EARS

Thank you to Hugh Callison, his daughter Aimee Peterson, and 10-year-old granddaughter McKenna for sharing their wonderful musical talents at a Saturday Social. The performance began with Hugh playing the bagpipes, and then the three of them took turns on harp, guitar, fiddles, and violin. McKenna is a National Champion Fiddler in the Junior Division! It was a wonderful evening of inspirational music and everyone was enchanted by their performance.

BY THE GRACE OF GOD

Sunday worship is back! Every Sunday afternoon at 3 p.m., Pastor Anthony, residential Citizens, Community Members, and visitors gather to worship in our beautiful chapel. Guest worship leaders from Memorial Drive Presbyterian Church's adult choir, and other churches, join us to worship the Lord as we praise Him together to start the week God-centered!

BIBLE PARTY

At Brookwood we do not hold Bible study; we have a Bible Party! Each Wednesday night interested Citizens gather for music, prayers, Scripture, games, and fun! One of our local NCL chapters has been supplying Bible Party game prizes for all of our Citizens, adding to the festivities.

NO SPLASHING ALLOWED!

Labor Day is a day to relax. Brookwood Citizens did exactly that by enjoying a pool party. The Saturday Pool Fitness and Table Activities are also a big hit. Pool exercise is both healthy and fun! Thanks to a local chapter of the National Charity League for their support.

WHO SAYS DINOSAURS ARE EXTINCT?!

Citizens had a great time when dinosaurs roamed the Brookwood campus on October 29. Thanks to the generosity of Bruce Stein, Citizens and over 200 guests enjoyed a picnic lunch and getting up close and personal with the giant Jurassic variety creatures, plus several more cuddly baby dinos.

LOOKS SPOOKY TO ME

Ghosts, goblins and other nefarious characters mysteriously appeared on Halloween Day. Citizens creatively transformed themselves for the day, and enjoyed an evening celebration with Halloween treats. Brookwood staff also got into the spirit and joined in the fun.

Volunteers

We Couldn't Do It Without You!

Centurion Pipeline volunteers are very active with our Citizen cyclists in two ways. Volunteers have been riding alongside our Citizens as they prepared for Bike to the Beach, and they were on campus loading all the bikes onto trucks to make the trip to Surfside. The Citizens thank you!

Several chapters of the **National Charity League** support Brookwood in many ways, most recently with one of the chapters donating supplies for Pool Fitness. Thanks to everyone from NCL for all you do for Brookwood!

The beautiful plantings in the Garden Center Atrium and Café entrance are the handiwork of volunteers from **Amegy Bank**. Thanks for making Brookwood so welcoming through your gift of working in the soil!

Katy Wine Fest a HUGE Success!

Kudos to the Cinco Ranch Rotary Club on their 17th Annual Katy Wine Fest in October. Several hundred guests enjoyed the evening as they sampled Italian and Texas wines. Thanks also to the many Brookwood volunteers who helped at the event. Proceeds benefit The Brookwood Community, and we are so grateful for this support.

WE NEED YOU

There are many ways for individuals, families, corporate groups and churches to make a difference. Please consider volunteering or organizing a group to lend a hand. For more information on volunteer opportunities, go to volunteer@brookwoodcommunity.org, or call **281.375.2114**.

BENEFITING THE BROOKWOOD COMMUNITY

CHISPA HOUSE PRESENTS

THE BROOKWOOD STORY

A FILM PREMIERE SHOWCASING THE CITIZENS
OF THE BROOKWOOD COMMUNITY

AND A CELEBRATION PERFORMANCE WITH

RYAN BINGHAM

THURSDAY, JANUARY 26, 2023 | 7 PM

HOBBY CENTER FOR THE PERFORMING ARTS

THE BROOKWOOD COMMUNITY IS CELEBRATING ITS 40TH ANNIVERSARY IN A VERY SPECIAL WAY, AND YOU ARE INVITED TO SHARE IN THE CELEBRATION.

On **Thursday, January 26, 2023**, Chispa House, a humanity-focused production company, will debut its film **The Brookwood Story** at the **Hobby Center for the Performing Arts**. The film, two years in the making, features the extraordinary history and mission of the Brookwood Community and captures the “chispa” – the spark from within that ignites change – that has been the driving force behind Brookwood. Throughout the film, the story is told by the Citizens who live and work here.

Ariel Levy, the director of **The Brookwood Story**, who has long personal ties to Brookwood, said, “When we first went to Brookwood, our plan was to do a short film that would be meaningful and bring attention to the program, but once we met the Citizens and saw firsthand the incredibly inspiring work they’re doing, we realized only a full-length documentary could do the story justice.”

This fundraising event will include a red-carpet reception, the premiere of the film, and a headliner performance by **Ryan Bingham**. Bingham is an American singer/songwriter, Oscar, Grammy and Golden Globe winner and a star of the hit series, **Yellowstone**.

Co-Chairs **Irene and Brian Binash, Carol and Bill Lawler, and Bruce Stein**; and Honorary Chairs **Carol and Michael Linn and Soraya and Scott McClelland** invite you to join them.

Individual tickets will go on sale in December, while underwriting and sponsorship opportunities are available now.

NEW! Embroidery Enterprise

The Lift High Foundation recently made a donation to purchase an embroidery machine for the Brookwood Woodlands day program.

Citizens will be producing embroidered aprons, tea towels, and other decorated gift items. Trustees of the Foundation, Cassandra, Shari and Chuck Meloy, visited the Woodlands studio to see the Citizens in action. These products will soon be available in the Brookwood stores, and can be personalized by special order.

HOLIDAY SHOPPING MADE EASY!

Shop the Brookwood way where everything you need is under one roof! Our beautifully decorated Gift Shop has Citizen-made items that are a treasure to give and to receive. The store is featuring five new holiday ornaments, a stunning pair of sister angels and specially-designed screen printed holiday cards. Browse jewelry items, clothing and accessories, gifts for children, and even pets, plus packaged foods and Brookwood's very own salad dressings. I Believe in BROOKWOOD

Thank You to everyone who has donated to our annual giving campaign since the kick-off on September 1. We're well on the way to our goal of \$1.2 million! Please help us cross the finish line. The *I Believe in Brookwood* campaign provides vital funds for so many essential needs such as trained staffing, training programs, healthcare, building maintenance and ongoing work, allowing Brookwood to operate without government funding.

Visit brookwoodcommunity.ejoinme.org/2022Believe, or call **281.375.2174** to make your donation. Donations will be matched 1:1 starting Tuesday, November 29 through December while matching funds remain available.

Bike to the Beach Raises \$70,000

What an achievement! Brookwood had an energetic and determined team of 30 Citizen cyclers who rode 24, 12, or 6 miles during the Texas Ride at Surfside Beach. Another 40 volunteers rode alongside, including family members as well as volunteers from *Pour Into Houston* and *Centurion Pipeline*. Proceeds benefit the *I Believe in Brookwood* campaign. The national event has the goal of raising autism awareness.

Many thanks to our Citizens who served as honorary team chairs, joined by family and friends, who assisted with fund raising and made this October day such a great success.

Director of Community Life Greg Glaser explains, "We can go the distance and finish well if we prepare ourselves, and keep the right focus throughout the race". And yes, they are already looking ahead to next year.

Kudos to Citizen Janice who, at age 70, upped her goal of six miles last year, to completing 12 miles this year in just over two hours. Way to go, Janice!

Blessings Shower Brookwood

The Special Teams for Special Needs program sponsored by **Mustang CAT** blessed Brookwood again this year with a check for \$42,000. Partnering with the **Houston Texans**, Mustang CAT's donation is based on the number of points scored by the Texans' special teams unit. The Citizens were fired up, decked out in Texans clothes and Mustang CAT hats, and enjoyed an old-fashioned pep rally with Texans players and cheerleaders!

Visionary Society Member Highlight

Rick and Susan Blanton love Brookwood, and their creation of the **Dwight and Jason Blanton Scholarship Endowment** helps

guarantee the Brookwood way of life into the future. This endowment honors their son Dwight, a Brookwood resident for more than 30 years, and his deceased younger brother, Jason.

Rick and Susan live intentional volunteerism-centered lives, with an ongoing commitment for helping people in need. Rick has had a career in horticulture, which is how he became acquainted with Brookwood, and Susan has been in retail for more than 40 years. They met later in life when they both became involved with a local philanthropic organization!

Rick's son Dwight exhibits the same enthusiasm for giving back and is active with the Brookwood recycling program and contributes to other charities.

Rick intends to fully fund the endowment with a gift from his estate. He explains their vision this way: "Seeing the accomplishments in each and every face at Brookwood was a compelling impetus to move forward with establishing the endowment."

For more information about setting up an endowment fund or making a planned gift to Brookwood, contact Carol Thornburg, 281-375-2110.

Centerpoint Energy, long a supporter of Brookwood, has been even more generous in this year's donation of \$70,000 to develop new Citizen enterprises. Thank you Centerpoint!

LGI Homes' volunteers work alongside our Citizens in ceramics and stonemasonry, and recently presented Brookwood with a \$5,000 donation.

Walmart continues to be a faithful partner with Brookwood through their donations and volunteerism.
